

Catholic Research Resources Alliance

Benefits of Membership

November 2010

For the library

- Support faculty and students with increased capacity for scholarly research across the disciplines
- Expand access to the library's rare, unique, and/or uncommon resources
- Contribute local resources to the global virtual library of Catholic research materials
- Maximize staff expertise and resources through collaboration
- Shape the future of the growing network of librarians, archivists and scholars committed to ensuring global access to Catholic research resources

For the institution

- Advance the teaching, scholarship and research mission
- Promote the current scholarship and historic work of your institution
- Support Catholic Studies as a field of scholarship and research
- Support the dissemination of knowledge and formation of spirit globally especially to underserved or less wealthy areas
- Position the institution as a leader in making the Catholic scholarly record freely available to all
